Early Learning and Childcare funding is available for eligible children subject to separate terms and conditions. When enrolling a child who is eligible for funded ELC, the terms stated herewith will be subject to the rules of the ELC partnership scheme.

By filling out a form, you are entering an agreement based on the following Terms and Conditions. To proceed, certain minimum criteria will apply, as below:

- Enrolment must be for a specified child and number of sessions.
- For under-2s, you must apply a maximum of 12 months before the desired start date.
- For children over 2, you must apply a maximum of 6 months before the desired start date.
- Your child should be at least 6 months old by the start date.
- The sessions chosen should meet the minimum booking criteria as stated on the Fees page of the website.
- A minimum immunisation rate of 95% is required for the safety of vulnerable individuals. We will fill spaces in a manner that maintains the immunisation rate.

If your Application does not meet the above criteria we will let you know and you can either rectify or withdraw it and you will not pay the admin fee. Before it can be processed a non-refundable administration fee is payable.

Newborn/unborn siblings of children already at Casa; children who have attended Montessori settings prior to Casa, and children of key workers will have priority. If and when there is the possibility of a place that meets your stated requirements we may arrange a virtual tour or in-person visit to determine if the nursery can meet your child's developmental needs and which class is most appropriate for them. **Applying, paying the administration fee, and attending a tour or visit do not guarantee an offer will be made.**

We are an inclusive setting and will, by law, accommodate the needs of children who have additional needs for which, after reasonable adjustments, we can cater adequately. When allocating places we will, to the extent possible, ensure that all the children's needs can be met and that any extra resources are in place to ensure their wellbeing.

As a parent, you must, at the time of Application, provide to us such

information as we may reasonably require about the child, eg. any known medical condition, health problem, allergy, or diagnosed dietary requirement; any prescribed medication; any lack of any vaccination which the child would ordinarily have by their age; any family circumstances or court orders affecting the child; any concerns about the child's safety or development; or any other information that would reasonably be considered important for a day care of children setting to know. If it becomes apparent to us that such information has been omitted, withheld or misrepresented, your Application/Offer/ Parent Contract will be void.

Fees are as published at the time of accepting a place and are subject to annual rises, with a month's notice. Fees include all food and drink but not formula milk nor nappies. Fees are calculated based on 50 weeks per year divided into twelve equal monthly payments which are due 14 days in advance of the first of each month. A deposit, equivalent to two months' fees, is required upon acceptance of a place in order to complete the Enrolment. Two months' notice of withdrawal is required, whether before or after the child's start date as indicated on the contract, during which period the normal monthly fee is due. A portion of the deposit is returned when they begin receiving funded early learning and childcare with the rest returned at the close of the withdrawal notice period or when the child moves on to school.

To allocate your space we will send you an Offer letter and deposit invoice by email. To accept the Offer, please return the signed parent contract and two months' deposit by the due date. Your Offer will expire on the date indicated in the cover email.

Offers will always be made based on the requirements you indicated in the application fee and subsequent communications with us. If, before accepting the Offer, you wish to make changes to the start date or weekly booking, we will try to accommodate you depending on the circumstances, but we cannot guarantee we will be able to honour the Offer.

Enrolment is complete when the signed Parent Contract is returned and the deposit invoice is paid in full. The first month's nursery fee will be due on the 15th of the month before your start date. If, once Enrolled, you wish to Amend (defer) your child's start date by more than 2 weeks, we will not be able to hold their place, therefore we will treat the notice as two months' notice of withdrawal.

Settling-in information will be sent approximately 4-6 weeks before their start date. Child Registration forms, including medical information, must be submitted one month before your child's start date, to avoid delaying your child's start at Casa.

We shall not be liable to you for any loss you incur as a result of not being offered a place, as a result of your Offer being withdrawn due to changes or requirements we cannot accommodate or as a result of circumstances beyond our control.

Data Protection and Confidentiality: Any personal data related to You or your Child will be dealt with in accordance with our Confidentiality and Data Protection Policy.

We may change these terms and conditions where such a change arises from changes in regulations or legislation affecting us. We may materially change any other terms in these terms and conditions with written notice.

FAQs

Which days are the nursery closed? Please check the website for exact dates, which occur throughout the year.

Early years partnership funding and Tax-Free Childcare? Yes. For vouchers and TFCC, please tick the option on your Parent Contract. Partnership funding is available for eligible children subject to the terms and conditions of the funding agreement.

Where will my child sleep? Babies will sleep when they need to in the Quiet Room. Most children nap for one to two hours after lunch. Please bring a clean set of bedding weekly.

What about settling-in? Settling-in visits are in the garden, the first one being with a parent present. Children are typically offered 4 single sessions, however we go at the child's pace and they stay at nursery only as long as they are happy.

How to toilet train? The Montessori approach is to allow gradual familiarisation with using the toilet from 12-18 months on. Teachers will encourage toileting independence at the child's individual pace.

How do we learn more about Montessori? We recommend you attend the Parent Seminar within 3 months of your child starting. These are designed to help us provide consistency between home and nursery approaches and are organised throughout the year.

How do we communicate with the nursery? Please use email for important communication. Day to day messaging is through the Family app, which you will need to add to your devices.
